

Ozark Avalon

2010 Upcoming Events

Please note that some of our Wheel of the year events are now community potlucks. The only charge for those weekends will be camping or lodging fees: come free for the day. We are planning to expand our remaining paid events into venues for vending, music and programming and hopefully a chance to see more of your OA friends and family gathered.

Please e-mail ozarkavalon@hughes.net if you have any questions, or visit our web site at www.ozarkavalon.net
